

## APPLICATION NOTE

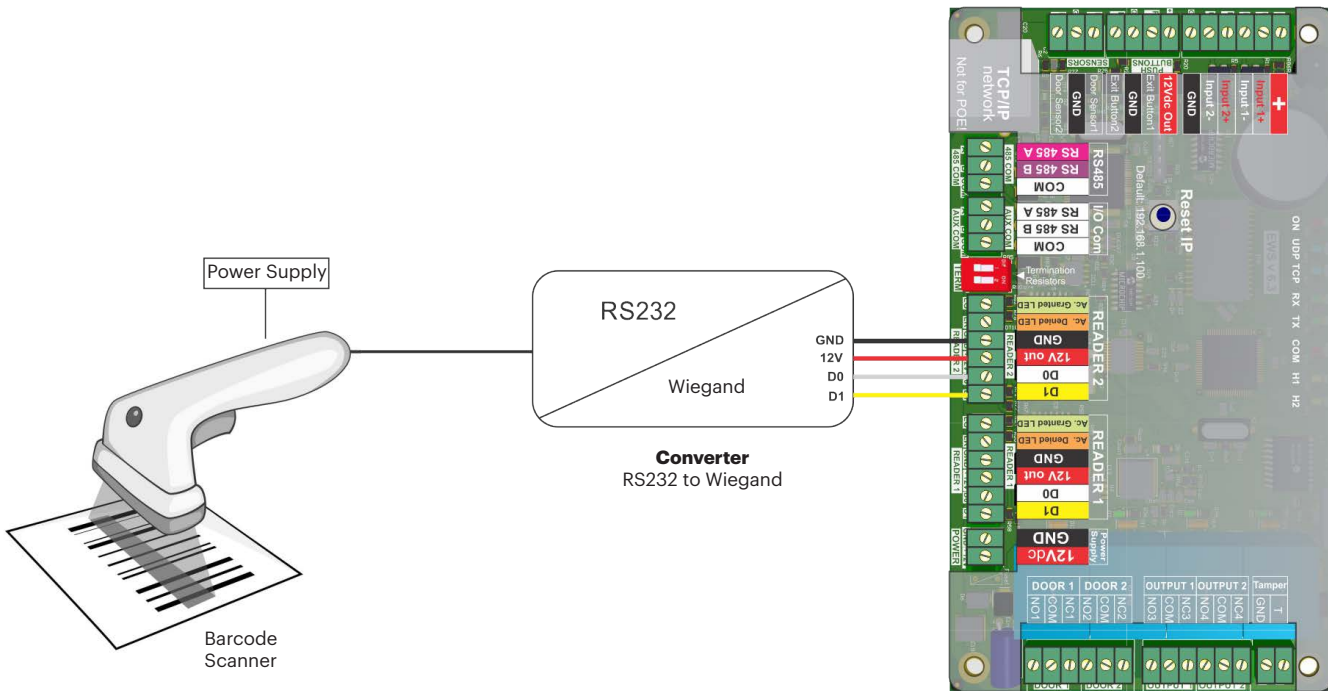

ONLine Access

Integrate barcode scanner in EWS system

A049

Any Bar code scanner with RS232 output can be used. Any converter Rs232 to Wiegand can be used. The system is tested with Newland FM430 Barracuda - fixed mount barcode scanner.

### WIRING

### SETTINGS IN THE SOFTWARE

Set the reader as normal "Proximity" reader.  
Set the Wiegand Type according to the converter's wiegand output.
